HANKOW.
(N.C. Daily News correspondent.)

Aug. 21.
I have just sent you a wire re the Sungpu refugees. The matter is as follows. On the 12th inst. the Hankow district magistrate sent a despatch to the Governor, stating that it was necessary, in order to arrive at the truth about the massacre, to have the six employees of the Mission, who were taking refuge in the foreign concession, brought to Hanchow for examination. The Governor in reply commanded the Magistrate for his carelessness, pointing out that many innocent natives had been executed and otherwise punished in connection with these anti-foreign cases, which mistake he must not make. His relatives, however, have been expelled from the clan. Their tablets will be allowed no place in the ancestral temple. There can be no heavier disgrace than this for a Chinaman.
